## WATER COMPANY SUIT DISMISSAL ORDERED BY COURT

With the dismissal by stipulation of the suit in intervention recently brought by Attorneys Peck, Bunker & Cole on behalf of a small minority of bondholders of the Peoples Water Company, the compromise payment of a \$5000 fee to the firm in lieu of \$10,000 asked, and the apportionment of other legal fees for trustees and attorneys on a general basis of one-half the amounts legally collectable, the foreclosure suits brought by Oakland and San Francisco trust companies against the water company have been amicably adjusted. Prompt consummation of the plans of the reorganization committee are anticipated as the next step following the handling and sale by Judge William H. Waste.

The suit in intervention was filed, according to A. G. Tasheira, vice-president of the Peoples Water Company, by James F. Peck on a technical point, because the Mercantile Trust Company was acting as trustee for the Peoples Water Company and the East Shore Water Company, a subsidiary

in contact with in such work. We help support a dental clinic, and lend aid to the Anti-Tuberculosis Society, and no worthy work of this kind is overlooked. We have established a county tubercular hospital that will bring us a large amount of state support for our patients afflicted with that trouble.

It should be remembered, also, that we have not always been supported by the voters in our efforts to correct the evils that we all admit exist at the present institution. Since I have been on the board an effort to vote a bond issue for a new hospital and the necessary additional buildings was defeated. We tried hard to carry the bond issue, but the people would not vote it and we were driven to the erection of the buildings by the unit system out of the regular tax levy.

The evils that exist at the county infirmary are not the result of mismanagement, and I think that the Tribune has tried to make that plain, but the result of the abnormal growth of that institution since the San Francisco earthquake and fire, and the inability to take care of that increase out of the regular taxes. I am firmly of the opinion, and I am sure that the Tribune and its investigators will support me, that we have done as well as possible under adverse conditions.

I am for a new hospital and all of the necessary additions thereto.

But here is where we come to the only division of opinion that exists.

One is as to the location of the buildings and the other as to the method of raising the money.

My attitude upon this is well known and I feel that it is based upon common sense, but I am not so tied to my opinion as to make me want to fly in the face of the wishes of the people. I am frankly in favor of a hospital site with every modern facility for the care of patients of all kinds. I then believe in a thoroughly equipped and new emergency hospital upon the site of the present hospital. If other emergency hospitals are needed in West Oakland or Emeryville or West Berkeley, we can build them as needed.

But if the people of the county want another arrangement of hospital buildings I will support, in the board what they want. I would like to see the whole matter referred to the people at the coming election, which is less than three weeks away, and have them settle everything. I say this knowing that the great bulk of the votes of Alameda county are in the

## Coming Events

\* \* \*  
Saturday, October 7. Lick-Wilmerding vs. Washington High School Rugby by Team at Centerville. Game called at 2:15.

Saturday, October 7. Hot Time Dance at Silva's Hall, Decoto, 8:00 p.m.

Monday, October 9. Theatre Party at Oakland Orpheum for Mission Restoration benefit.

Friday-Saturday, October 13-14. Annual Harvest Festival for benefit of Niles Catholic Church at Connor's Theatre, Niles.

## TIME OF CHURCH SERVICES CHANGED

The services at the Presbyterian church at Alvarado will be held in the evening instead of the morning next Sunday, October 8. It will be communion service. At Centerville the service will be held in the morning instead of the evening.

## WASHINGTON HIGH DEFEATS SAN JOSE SECONDS 8 TO 0

Washington High school rugger brought down the house and for grace and beauty the Pierrot and Pierrette was the gem of their dancing.

The costumes for the several dances were appropriate and very dainty. The dancing of these two beautiful girls it is safe to say has never been equalled in Niles and it was a delightful and long to be remembered program.

## DARROW'S BAKERY IMPROVED

Joseph E. Gomes who recently bought out Darrow's Bakery has made a number of improvements which add greatly to the attractiveness of the place. Joe is well known as one of our most enterprising and wide awake young business men and it is his intention to have his place a model of cleanliness. Prompt service and the very best of goods will be guaranteed. He has the agency for Miller's Ice Cream and Baum's chocolates.

Special attention will be given to orders from lodges or other organizations anywhere in the township. A call on the phone will get a quick response for anything in the line of eatables or delicacies for a spread. Miss Mary Bertalozzi and Miss Mary Sullivan are his assistants and are well known for their competent and obliging service.

The Pacific Telephone and Telegraph Co. has trimmed the trees along the main street so as to avoid trouble during the winter. Frank King a well known tree butcher of Hayward has control of the work.

Mr. and Mrs. H. C. Plummer of Niles are registered at Hotel Plaza, in San Francisco, this week.

cities and will probably vote to place a hospital in Oakland.

But at the same time they should express an opinion as to how they want the money raised, whether by a bond issue or by direct taxation. If direct taxation is adopted it will mean the addition of ten or possibly fifteen cents to the tax rate each year, and I, for one, want the people to instruct us what to do in this matter because they will have to furnish the money.

And I would like to call attention to the fact that this Board of Supervisors has taken every step that has been possible to better conditions at the infirmary. We held a competition for infirmary plans and paid liberal prizes for the designs, and we have complete and paid-for plans that have been advertised all over the architectural world. These plans were submitted from all over the United States and were passed upon by a committee of architects, surgeons and laymen, a committee that was so large and representative that their decision was above question. These plans are ready for use as fast as we can secure money, either to construct the whole or to construct it in units.

Not having been able to carry a bond issue for the whole we have already started construction by the unit

## SOUTHERN PACIFIC TIME TABLE HAS MANY CHANGES

Quite a number of changes took place when the new time tables of the Southern Pacific Company went into effect last Sunday, October 1, as will be noted in the published table on page four.

Train No. 51, the Bakersfield Passenger at 8:51 p.m. no longer stops at Niles. The last train to Oakland in the evening is No. 37, at 6:12.

In the Niles-Centerville-Newark branch several important changes have been made. The Dumbarton train no longer carries passengers. A new train in each direction has been added; No. 505 leaves Niles at 9:15 a.m. for Centerville and Newark; No. 92 leaves San Francisco at 12:40 p.m. arriving at Newark at 2:00 and Niles at 2:15, whence it goes to San Jose.

## NATIVE SON JINKS

On Thursday evening, Oct. 12, Niles will see a large and numerous band of Native Sons accompanied by the Athens Parlor band, and possibly by the bands from Brooklyn and Piedmont parlor. The occasion is to be a jollification and visit to the local Parlor No. 250 N. S. G. W. of members of the order from all over the County. Several new members will be initiated into the local parlor and the work will be put on by the Past Presidents association of Alameda County.

Great preparations are being made by the local committee to receive and care for their guests on that evening. There will be several startling stunts on the evening program that no native can afford to miss, and they are thereby urged to lend their presence to the occasion.

## ILLUSTRATED LECTURE AT THE NILES THEATRE

On Friday evening, Oct. 20, there will be a lecture with beautiful pictures given by our principal Mr. Ford at the Niles Theatre. Mr. Ford was in the Philippines a number of years. He was Assistant Superintendent of Schools in one of the large provinces and helped to the use of practical methods in teaching the people there to live better lives and in earning better livings. So come to hear him and to see the pictures. The admission will be ten cents.

The old tie rail which along the curb on the corner of the I. O. O. F. building was torn down this week. The holes will be filled up with gravel and will be the end of a nuisance to the corner.

## DEATH OF GEORGE TYSON

George Tyson, son of the late Dave Tyson, died at Nogales this week and was buried with military honors at the Presidio, Wednesday. The deceased was a member of an Idaho regiment and enlisted last summer for service in Mexico. He was a native of Niles and was thirty-one years of age. He is survived by two sisters, Mrs. Olive La Baire of Sacramento, and Mrs. Emma Sheldon of Alameda and Ben Tyson of San Francisco.

## MISSION

W. Whitfield of San Francisco came up Saturday with a party of friends for a quail hunt last Sunday. Pete Whitfield of Niles joined the party.

Stephen Gautaudine of San Francisco paid his mother Mrs. L. Gautaudine a visit over Sunday.

George Murphy of San Francisco is the guest of Father Kennedy. Father Costa is now driving his new car, a Vile.

The ladies of St. Joseph's Catholic church are making preparations for their annual church fair which is to be opened on Saturday, Nov. 18. It will then be closed until the following Wednesday when it will be reopened and continue through Thursday and Friday.

It has been found necessary to close the highway from Mission San Jose to Warm Springs during rainy weather. Although the grading of this section of the highway has been completed, the remainder of the work will not be taken up by the State authorities until next Spring some time. During the winter season autoists will be obliged to go by way of Irvington from the Mission to San Jose.

## "Durdy Cur" Epithet of Supervisor

A fistie combat in the committee room of the Alameda County Board of Supervisors was avoided Thursday morning by the refusal of John W. Phillips, chairman of the manufacturers' bureau of the Oakland Chamber of Commerce, to accept a challenge from Supervisor Daniel Murphy, chairman of the board.

Phillips headed a delegation representing the manufacturers' bureau, which appeared to protest the dismissal of W. D. Nichols, processor, and Fred Parsons, superintendent of the Alameda county committee of the Exposition. Nichols and Parsons were ousted by the Supervisors last Monday and the positions given to George Shane, formerly assistant processor, and George Crowell.

"The manufacturers' bureau of the Chamber of Commerce stands for efficiency, and we do not intend to allow politics to play any part in our effort to secure the reinstatement of Parsons and Nichols," said Phillips.

Daniel Murphy took the statement as a personal affront.

"Get out of here, you d—d dirty curs!" shouted Murphy.

The words were followed by a show of belligerency, in which Murphy of

ferred to settle the difference with his fists.

Phillips left the room.

"I wouldn't soil my hands by engaging in a fist fight with you," exclaimed Phillips. "Our fight to reinstate Nichols and Parsons will be carried on just the same."

In answer to Phillips' declaration of intentions, Murphy said: "Phillips and the others who carry on the fight may go as far as they like. I know that I am right in this matter and they cannot change my opinion."

As a result of the dismissal of Nichols and Parsons the Manufacturers' Bureau threatens to withdraw its exhibit from the county display installed at Thirteenth and Harrison streets.

Among those who appeared before the board representing the bureau besides Phillips were J. H. Bedgrift, R. C. Bitterman, O. R. Kenyon, George Marwedel and Ralph Binchoff.

Before he left the room Phillips presented a formal request that the Supervisors reconsider their action of last Monday. The petition was filed without being acted on.

### COUNTRY CLUB

The October meeting of the Country Club in the Club House at Centerville last Tuesday proved an enjoyable afternoon. Over sixty ladies were present. Mrs. W. B. Kirke, president, in the chair. Mrs. Barton Brown and Miss Flora Brown of Newark were hostesses for the afternoon to receive the guests and decorate the assembly room with flowers. Two names were proposed for membership. By vote of the members the Club pledged itself

thousand dollars in a single day.

It is amid the stirring scenes of these almost incredibly rich "diggings" that some of the leading incidents of Edward L. Grafton's superb ten-reel masterpiece, "The Argonauts of California," are laid. This remarkable film drama tells with absolute fidelity to the historic facts, the thrilling story of the "Forty-Niners"; their migration to California from every quarter of the globe; their hardships, adventures, their successes and failures, their tragedies and their comedies. Its plot is sensational in the extreme and has its climax in the work of the grim and mysterious Vigilance Committee.

The first showing here of "The Argonauts of California" will take place at the Niles Theatre, on Friday evening, October 27th.

## CENTERVILLE

Mrs. Colmore of Berkeley is a visitor in Centerville this week.

Guess who would like a ride in that new cheese box.

The first league game which was to be played Saturday on the Centerville grounds between Centerville and Livermore was called off. Five of the Livermore boys were sick.

Mr. and Mrs. G. M. Mathiesen were invited to San Francisco Tuesday night to a theatre party.

Mrs. Jensen, and daughter, of Irvington spent Sunday with Mr. and Mrs. Frank Hurd and daughter.

The party given last Saturday by Mrs. Marion Mowry for Mrs. Mergott was a great success. A large number of women were present and the eats were delicious.

Mrs. G. Wright, Mr. Edwards Jr., Mrs. Colmore and George Wright Jr. motored to San Jose Monday afternoon.

Don't forget the Hallowe'en Social at the Presbyterian Manse on Hallowe'en, Tuesday, Oct. 31, 1916.

Mrs. J. A. Coney who was operated on last Wednesday at the hospital is improving. Her many friends are hoping to see her home in a few days.

Mr. Dunbar, the veterinary surgeon, spent Saturday and Sunday at his home in Berkeley.

Mr. Stinhilvr has purchased a 1917 Buick.

## PLAN FOR NEW CO. INFIRMARY AGAIN DELAYED

Some want it inside and some want it outside—just like a liniment, it developed in the argument on the proposed new county hospital, and the supervisors Monday, after arguing pro and con for some time as to whether the people should be permitted to vote on a proposition to construct it on the present site or move it into the city, came no nearer settling the question than they have for the many months that the matter has been pending.

Supervisor Charles W. Heyer introduced his resolution for a segregation of the institution, an appropriation of \$150,000 for the purchase of a site in Oakland and then passing the whole business up to the voters.

Chairman D. J. Murphy seconded the motion and on roll-call they were the only two voting aye. Supervisor Heyer then changed his vote and moved for a reconsideration next week.

"It is the people's money that we are spending and it is only fair that they should be given an opportunity to express themselves on the proposition to divide the institution," said Heyer. "It is fair for me to ask it. There are 75 per cent of the voters within the city and if they vote the thirds vote of the electors of that borough voting thereon."

It was the fact that former plans for amalgamation of city and county governments did not adequately safeguard the lesser political divisions from the possibility of being forced to assume the bonded debts of the larger that prevented those projects from receiving the popular approval that is being accorded the present federation plan.

## "THE CLOSED ROAD"

The story of the World Film production, "The Closed Road", with House Peters and Barbara Tennant in the leading roles will be the attraction at the Niles Theatre on Sunday Oct. 26. The picture opens with two New York physicians congratulating each other upon the almost certain discovery by Dr. Annersley of a cure for cancer. Julia, the doctor's sister, enters and states that she has left Griswold, an admirer, at the door. Her brother explains to her that the reason he did not enter was because for some time he has owed him a debt of honor and has failed to pay it.

Dr. Annersley writes to Griswold demanding payment within twenty-four hours, threatening physical violence, in the event of his failure to pay. A short time later Griswold is found murdered in his apartment. The threatening letter from Dr. Annersley and the doctor's pistol are found in the room. Annersley is arrested and circumstantial evidence fastens the crime upon him. How his sister Julia succeeds in having him freed, and having Frank Sargent, whose doctor has informed him he would not live two months on account of the weakened condition of his heart, take the blame for the crime, later tracing the murder to old Dr. Appleman, who confesses that he gave Griswold an overdose of medicine and used the pistol merely to divert suspicion, forms an amazingly and wonderfully dramatic story, which ends happily when Sargent is liberated by a pardon from the governor, resulting in a happy reunion between the two leading characters.

## NATIVE SONS JINKS

Last Thursday evening was a gala occasion for the Native Sons of Niles. One hundred and seventy-five enthusiastic Native Sons from the bay region paid the local parlor a fraternal visit.

They came in automobiles and brought with them the Athens Parlor Brass Band and the Eden Parlor Drum corps.

Two candidates, George Ferrell and Wm. Bunnelli were initiated and District Deputy White of Brooklyn Parlor installed the officers of the local parlor.

Doc Burr and a party of Oakland friends motored to Sonora Sunday for some quail shooting but luck was not with them.

### PARTY SYSTEM STEPS ON ITS OWN TOES

To some observers, still brooding on Mr. Hughes' visit to California, the political situation here must seem almost unique. Where else, they might ask, is there to be found a segment of the Republican party with every aspect of regularity and old-fashioned principle except the trifling one of popular support? Where else has a candidate who was enthusiastically repudiated by the self-appointed leaders of the people been so enthusiastically endorsed by the people themselves? Where else, in short, have the voters so obstinately refused to play the game as its rules are laid down in the book of Elihu Root, Colonel Otis and Senator Penrose?

Echo might answer, where indeed? But as a matter of fact it is probable that the situation in California could be paralleled, under the surface is not on it, in almost every regular Republican State in the Union. The Republican split of 1912 was no accidental crack, which a man named Roosevelt could make and repair at will. It was no more an accidental crack than the Golden Gate is accidental.

to renounce his political ambitions may have lent zest to the effort to embarrass his chief does not mitigate the offense of the County Board. The fact that many more glaring offenses against the county treasury are constantly being put over in a perfectly legal way does not absolve the County Board from a strictly technical violation.

every liberally minded voter, in America would have been glad to mark a ballot to show that he endorsed that record. La Follette's opponents made the dreadful assertion that he was not a regular Republican. They investigated his record in Congress, not to find out whether he had voted for good laws or not, but whether he had voted with partisan regularity. When they found that he had been known to support Democratic measures they proclaimed it up and down Wisconsin. Here was a human reptile who pretended to be a Republican and yet was not taking orders from the divinely appointed guardians of Republicanism who were struggling against the wicked Democratic majorities at Washington. Here was a human reptile who pretended to be a Republican and yet was not taking orders from the divinely appointed guardians of Republicanism who were struggling against the wicked Democratic majorities at Washington. Here was a miserable worm who put service to his country above service to a party. This preaching seems to have cut down La Follette's majority, but it did not succeed in defeating him. Now the indications are that his stritly regular Republican opponents will vote for the Democratic candidate in the final elections in order to defeat La Follette. To offset this vote there will undoubtedly be many Wisconsin Democrats who will abandon their own candidate in the final elections in order to vote for La Follette, and many La Follette Republicans will cast their votes for Wilson for President and for La Follette for Senator.

The fact is, in Wisconsin, in California, and in several other important States that both the old parties are split to the core. There are actually

of the County Board examination system. While no one wishes to see the reputation of such excellent public servants tarnished forever because of a slight overstepping of the law and while no one has any great faith in the motives of the politicians who are evidently using the law as a means of political reprisal, still if the present system of cramming for final examinations should be modified or even abolished as a result of the shake up, the schools of the county will undoubtedly be benefited.

## DO YOU KNOW THAT

The Constitution of the United States doesn't mention health?

Procrastination in sanitary reform is the thief of health?

A book on "Exercise and Health" may be had free of charge from the U. S. Public Health Service?

Not everybodys can achieve greatness but everybody can be clean?

If you sow a hygienic habit you reap health—reap health and you attain longevity?

Railway cars would be sanitary if it weren't for the people in them?

America's typhoid fever bill is more than \$270,000,000 a year?

The full dinner pail is the enemy of tuberculosis?

crats have infinitely more in common than in difference.

One moral of the situation is that no man or woman who takes voting seriously has any moral right to give any consideration whatever to party regularity in the coming Presidential election. The American party system, as it operates this year, steps on its own toes. It gives no hints whatever on which an intelligent voter can rely in forming conclusions.—The Bulletin.

## CITY AND COUNTY GOVERNMENT ASSOCIATION

With the tentative draft of the proposed new federation charter for Alameda County and its several municipalities practically completed by the legal committee of the City and County Government Association, a summary of the instrument has this past week been mailed to each of the 300 members of the organization.

As soon as they have made such comments and criticism as may be

1917", said Edgar C. Bradley, president of the organization.

"We have taken great care in the preparation of the charter, as it now appears, and we do not anticipate that many or important changes will be made in it after the people of the county generally have studied it and we hope to be able to submit the matter to a vote before many months but every opportunity and ample time will be given for full and careful consideration of it before any election is called.

"Residents of the east cities are all familiar with the troubles resulting from the adoption of unsatisfactory charters. The new federation plan and the new county charter must be worked out to the full satisfaction of all before any steps are taken to adopt it. This can be accomplished thoroughly and soon by serious consideration of and comment on the matter by the citizens and careful attention on the part of the legal committee to the changes and corrections suggested as the result of that consideration and comment.

"In this way we can work out a plan of government and the details of its charter and have the whole plan thoroughly understood and approved by all before we even elect the board of freeholders."

The summary of the proposed charter which is being sent out, in an introductory statement sets forth the chief objects accomplished by it as follows:

(1) The federation of our city and county governments in such a way as to avoid the duplication of officers and consequent waste under the present system.

(2) The preservation of the identity of the several municipalities within the city and county together with reas-

surely stirring. Thoughtful citizens are beginning to throw off the lethargy which has held them. Everywhere throughout the length and breadth of the land strong men are beginning to life their voices, calling to their patriotic countrymen to awaken. It is to be a battle, not with bullets but with ballots. Therefore it may be a long one, covering years to come.

To-day, however, it is the day for each man and woman to open the campaign. No matter what your rank or station, no matter whether you live in the thickly populated city or far out on the range, begin to-day systematically to awaken those with whom you come in contact. Practically all that can be done for the present in Washington has been done. Therefore, men and women of America, the fight now is really in your hands.

Answer the militarist's challenge to your patriotism by a patriotism that is greater than his. Instead of needlessly dying for your country, live for it, firmly resolved that this, the mightiest Republic of all history, and still the one great political hope of the world, shall not perish on the rock of militarism, the arch enemy of republics throughout the ages.

**REPUBLICAN CANDIDATE FOR STATE SENATOR FROM THIS DISTRICT**

**FRANK M. CARR**, Republican Candidate for State Senator is a striking example of a self-made man. He is no stranger to the people of Washington Township, having spent his youth on the ranch near Decoto which his folks have owned for over twenty-five years. He was educated in the grammar and high schools of this Township, later going to the State Normal School in San Jose, where he graduated in 1901. He taught school for a number of years in Alameda County and then entered the law department of the University of California, from which he was admitted to practice law in all the Courts of the State; He is known as a lawyer of integrity and ability and is held in high esteem by the bench and bar of Alameda County. He has served as the Assistant Superintendent of Schools of Alameda County for 10 years, and is recognized as an authority on school law. He is a staunch Republican of the forward looking type and is equipped by training and experience in public affairs to render distinct service to the people of the State, if selected as the State Senator in the 13th District.

During his ten years public service as Assistant Superintendent of Schools, he has been brought in close contact with every department of our County Government and this experience, coupled with his knowledge of the needs of the district and his ability as a speaker, will make of him, a valuable representative in the Senate. He is a married man and resides with his wife and family at 4410 Evans

**COIN WILL REPAIR WALLS OF MISSION**

On Monday evening, October 9, an opportunity will be afforded the people of this county to assist in preserving the most important and oldest historic landmark in the east bay region. The adobe walls of Mission San Jose were rapidly crumbling and had it not been for the efforts of the Native Sons and Daughters of Alameda County the ancient structure would today probably be in a state of almost complete ruin.

Five years of constant and untiring effort has resulted in the erection of a new roof, one-half of which is tiled, and strengthening of the adobe walls. Concrete foundations were laid for the roof supports.

It is hoped to raise an amount sufficient to complete the ends of the building, which were temporarily boarded up, and to retille the corridor. Tickets can be purchased at the stores of Sherman-Clay and Kohler & Chase, and from the various parlors. The Orpheum winter rates begin Sunday and these rates will prevail Monday night. During the evening's program the progress of the work will be shown by lantern slides.

The following committee has the affair in charge: E. F. Garrison, Mrs. Nellie DeBlois, C. F. Corrigan, James Beaty, Mrs. C. H. Hall, W. W. Schuchaw and J. J. Dignan. Past Grand President Jos. R. Knowland is chairman of the general committee, and Geo. Donovan secretary.

**PALO ALTO 21, WASHINGTON 8**

The ruggers of Washington High journeyed to Palo Alto last Saturday morning and were defeated by the high school team on the Stanford turf. The score was 21 to 8. The game was played at eleven o'clock.

The locals put up a much more creditable game than they had previously and were not at all downcast at the result. The Palo Alto team is ranked as one of the best in the state.

The two tries scored by Washington were registered by Piers and Hawes. Hawes converted once.

This Saturday afternoon at Centerville the locals will encounter the team representing Lick-Wilmerding high school of San Francisco. The game is called for 2:15 instead of 3:00 o'clock as has been the custom in the past. This earlier hour is made possible by the addition of a new train that comes

trip to San Diego, stopping at different points along the way. At Morgan Hill a reception was given at the "Friendly Inn" by the Women's Civic Improvement Club, with Mrs. Schofield as the guest of honor, and also a luncheon at the high school, prepared by the class in Domestic Science. Mrs. Bevier, wife of the former pastor of the Centerville Presbyterian Church, is now teacher of Domestic Science and Drawing in the Morgan Hill high school.

(Incidentally we feel inclined to wish that we might chuck our job for a while for a trip south. San Diego County in the winter time is a beautiful place, after the rattlers have gone to sleep and horn-toads and other reptiles are out of the way.)

**CHEVROLET CARS PURCHASED BY STATE AUTO ASSOCIATION**

The California Automobile Association, affiliated with the A.A.A., has purchased three Chevrolet "Four-Ninety" touring cars to be used in the road work of the association throughout California. The economical upkeep of the "Four-Ninety" together with the general efficiency and sturdy construction, appealed to the officers of the association when making the selection of cars to be added to the fleet already in service. The fact that the "Four-Ninety" model has proved its ability to negotiate the most difficult roads in the West, as well as showing better than 54 miles per hour on the Ascot speedway in Los Angeles was enough to convince the automobile association officials that the "Four-Ninety" was a most practical car for associations use.

**NILES MADE GOOD SHOWING**

Niles made by far the best showing of any part of the township in sending soldiers to the border. The boys were mustered out last week after staying in Sacramento since September. There were enough boys from Niles to make a squad and it was the only town in the township represented at the border. The boys from Niles were G. W. Wright, Wm. Ford, Fred Mitte of the California Nursery, Sydney Tyson, Will Crane, John Enos, Leslie Nichols, David E. Richards and H. G. Stratton. Geo. Tyson another Niles boy ended with an Idaho company.

Since coming back from Nogales G. W. Wright has been operated on for appendicitis and last week while on his way hom from the hospital in the city was thrown from an auto in an accident in Oakland and was obliged to spend several days at the Providence hospital in that city.

**NILES PEOPLE HELPED**

Niles people have discovered that ONE SPOONFUL of simple buckthorn bark, glycerine, etc., as mixed in Adler-ka, relieves sour stomach, gas and constipation AT ONCE. This remedy is well known as the appendicitis preventative. M. B. Sneden, druggist.

a grower, and at present will take much of his time from his large prune orchard to forward the work of the association. Other business men of experience compose the promotion committee and sub-committees as newly organized. The San Jose members are energetic in the opposition to the substitution of any other city in California for San Jose as the headquarters of the association.

**COUNTY SUE FOR SQUIRREL KILLING**

Mandamus proceedings have been commenced in the Superior Court against the board of supervisors by the state board of health to compel the payment of \$540.49, alleged due as reimbursement to the state treasury for work done by state employees in exterminating rodents from Alameda county acreage.

Under the law it is claimed that the county should collect the amount due from the several property owners on whose lands the work was done. The state paid the claims of the men who did the work after due notice had been given the land owners that their premises were infested with ground squirrels. The action is in the nature of a test case.

**GERTRUDE COLE ENGAGED**

The following item is of interest to readers of the "Press" as Miss Gertrude Cole spent her girlhood days in Niles and Centerville: Young Jackson to Wed Berkeley Girl. It has just become known to members of the smart set, although no formal announcement has been made, that Frank Jackson will claim Miss Gertrude Cole as his bride the first week in November.

Jackson is the son of Mr. and Mrs. Henry K. Jackson and a graduate from Stanford University.

Since receiving his degree he has been associated with his father in the furniture business. His bride resides with her aunt, Miss Lillie Cole of Berkeley, when she is not with her parents in Galt. The wedding will be a simple affair with none but intimate friends present.

Jackson's first wife, from whom he was divorced several years ago, was Miss Gladys Maxwell, daughter of Mrs. Harry Maxwell and a niece of Mrs. Frank C. Havens of Piedmont.

## A PHOTO FREE

Do you want a fine 7x11 photograph of yourself free with a subscription to the Press. For every \$2 paid on a new subscription or for every \$2 paid in advance on an old subscription, the Press will give you an order on the "Boussum" Studio, 25 Kearny Street, San Francisco, which will entitle the holder to a fine photograph, 7x11. This photograph is itself worth the price of the subscription, \$2. If you are going to the city just come in to the Press office and see the kind of a photograph you can get. You will get courteous treatment at the Boussum studio and if you don't want more than the one photo you don't need to buy more. If you do wish more, there is a special price to the holders of the card we issue.

We intend to build up the subscription list of the Press and this is one of the premiums we are now offering. Come and see some of the photos.

The Brilliant Little Star in

One of the most fascinating chapters in American history is that of the gold rush to California 1849 and the years immediately following, which drew adventurous men and women from the remotest shores of the Seven Seas, and the narrative of the world-famous Vigilance Committee of 1856, an organization of the bravest, ablest and best men, who redeemed California from its reign of terror; subjugated and lawless bands which murdered, robbed and preyed upon its people; hanged the outlaw leaders and finally restored peace and order. These thrilling episodes form an important feature of the "ARGONAUTS OF CALIFORNIA" and many of its most vivid scenes and incidents are exact reproductions of the historic occurrences which transpired in those brave days of old. In the finest photography the world has ever seen it shows every detail of this Great Adventure. The wondrously beautiful love story of gallant John Brandon, the Vigilante leader, and Marian Stilwell will be one of the sweetest memories of your life. "THE ARGONAUTS OF CALIFORNIA"

## Niles Notes

Miss Mabel Clarke is attending the University of California this fall. She is taking a graduate course in order to make her Master's degree.

Mrs. Eleanor Clarke of Niles Glen has been in Oakland for the past week visiting with her daughters, Mrs. L. L. Brown, and Mrs. R. D. Rowe, and her son Mr. James W. Clarke.

Niles sportsmen need not go far from home to hunt "big game". A few mornings ago, three coyotes were seen prowling about Mrs. Chittenden's corral and barn. It is reported, since that Mr. Walpert has dispatched one of the trio and that another has been killed by some other hunters, but there's still one at large. Get busy, boys of the Gun Club. Bring him down, secure his hide, export it to the was zone, and pocket \$10 for it, that it may be used to line the coat of some one of the boys "in the trenches" or on the "firing line". Winter is coming and they'll all need warmer clothing.

Miss Edna Sharpe was a visitor to Oakland last Monday.

On Thursday afternoon, Mrs. Gladys Duffy was the guest of Miss Florence Sharpe, the occasion being Mrs. Duffy's birthday.

Mr. Ben Robinson of Oakland spent the week end at Belvoir.

Mrs. Velsir is spending a few days of this week in Oakland.

Miss M. E. DeCora who is recovering from a recent illness has been a guest at Belvoir for a week to rest and recuperate.

Mrs. Roy Smith and Miss Fay Smith of Berkeley spent last week end with Mrs. Fern Green, and were guests at the card party in the Club House.

Miss Grace Beck of San Francisco visited last week at the home of her sister Mrs. E. B. Tyson.

Mrs. S. O. Higby of Danville visited among her Niles friends last week and was present at the Guild meeting on Wednesday.

Mrs. H. C. Plummer and children are visiting relatives in Stockton.

Mr. and Mrs. Geo. Courtney are occupying the pleasant Borges cottage lately vacated by Mr. Voorhies and family.

ars registered for attendance. The experiment will no doubt prove a success and of much benefit to our foreign residents.

Mrs. Schofield and Mrs. Mayhew left on Friday morning for a trip to San Diego and a view of the Exposition. They will go via the Coast route, stopping along the way for visits with friends and will return by the San Joaquin Valley. They expect to be away a month or more.

Herbert Domenici was in Niles last week visiting his mother and former friends for a few days.

Mrs. Hill of San Jose has been the guest this week of Mr. and Mrs. Ashley Tyson, and took part in the musical numbers at the County Club meeting on Tuesday.

Miss Amy Bliss returned recently from a visit with her uncle in Auburn.

Mr. Thoie Bedard went to Oakland this week to attend court in the automobile damage suit brought against him several months ago. The accident occurred in San Francisco, when Mr. Bedard's machine came in collision with another on Market Street. The suit was postponed again to Oct. 17th.

Mr. F. V. Jones attended the meeting of the Board of Directors of the Chamber of Commerce in Oakland last week Tuesday evening.

Several ladies from Niles including Mrs. J. Easterday and Mrs. McCuen with Mr. Frank Rose as protector, are in camp again at Moss Beach, Monterey Co.

Miss Barry of Niles and Miss Erret formerly of Centerville left by Clark's automobile stage for Los Angeles on Thursday morning. From there they will go on to San Diego for a visit to the Exposition.

Trinity Guild held its regular meeting on Wednesday afternoon last with Mrs. Harry Cushing of "Albrae Farm". Three automobiles filled with members made the trip down below Irvington where the ladies enjoyed a pleasant afternoon together. Arrangements were made for a card party to take the place of the next meeting on Wednesday, Oct. 18th at the home of Mrs. Clara Martenstein. The members are hoping for pleasant weather and

This will be followed by a discussion from the members.

A social game of five hundred was enjoyed after which creamed oysters, coffee and cake was served. The new refreshment committee will take charge in October.

## Irvington

Mrs. Nellie Horn was taken to the Garden City Sanitarium at San Jose where she is taking treatment for her heart.

The Dime Social given by the Rebecca's at the Odd Fellows Hall was very well attended considering the stormy night.

Dr. and Mrs. Lutz returned from their trip to the northern part of the State. They report having had a very nice time.

Mrs. Helen Threlfall spent Tuesday in San Jose shopping.

A little girl was born to the wife of Mr. M. Goularte on Friday. Mother and child are doing nicely.

Mrs. Mary Beardsley spent Tuesday in Oakland.

Mrs. S. Decoto spent Tuesday in San Francisco.
